

Hi \$[UD:FIRST_NAME]\$\$,

November saw Sustainability in the spotlight, with delegates from nearly 200 nations gathering in Baku, Azerbaijan for COP29 discussions. At G20, Prime Minister Narendra Modi emphasised the country's climate goals. Read on to discover the biggest sustainability headlines of the month.

COP29 highlights

- More than 30 countries join the Global Methane Pledge
- Global carbon market gets approval
- India calls for \$1.3 trillion annual climate finance until 2030
- MDBs announce an annual financing of USD \$120 billion by 2030
- Canada, Chile, EU, Georgia, Mexico, Norway and Switzerland commit to submit updated NDCs
- COP29 discussions close with a pledge to provide at least \$300 billion annually by 2035
